

# FREEDOM

GK-83

## Introduction

The new FREEDOM scooter from Ezzyrider sets another gold standard in portable mobility. Packed with industry first features, available in 3 and 4 wheel models, the FREEDOM is the first scooter with quick color change moldings. It's the first completely connectorless portable scooter, with its heaviest component an industry leading 26lbs! Talk about ULTRA value... FREEDOM have solid tires, a comfortable swivel seat with arms, and a basket included in the price without the need for an upgrade! The brand you know. The quality you trust. ULTRA portable. ULTRA lightweight. ULTRA value.
