

# GLORY 3

889-3XLS

## Introduction

The GLORY 3 is exactly what its name implies: a large scooter with a weight capacity of 500 lbs. Beautifully crafted and sturdily built, this is yet another addition to Shopriders unique line of scooters. The Delta Style Tiller is sleekly molded with a textured vinyl finish. The floor of the scooter is designed with room enough for the larger rider as is the 20" deluxe seat which is standard.
